1 of 1	No.017B/BT.13.001	Poci nai, LT-59327, Prienai, Lithuania

Subject: Validation modification to sailplanes LAK-17B and LAK-17BT (MAJOR CHANGE

APPROVAL 10043395).

Applicability:

LAK-17B and LAK-17BT:

Serial numbers 204, 205, 206, 207, 209,

210, 215, 217

EASA-Type certificate:

EASA TCDS No. EASA.A.083, issue 02,

date of issue 21/12/2012

Major change approval 10043395, date of

issue 25/01/2013

Reason: The information bulletin is an issue in order to ensure conformity of modified LAK-17A/LAK-

17AT to sailplanes LAK-17B and LAK-17BT with all the conditions identified in the LAK-

17B/LAK-17BT Flight Manuals and Maintenance Manuals.

Action:

1. Check and if necessary - replace placards and markings of controls according to Section

2.6 of the Maintenance Manual for the sailplanes LAK-17B, LAK-17BT, original date of

approval 21/12/2012.

2. Check Airspeed indicator marking according to Chapter 2.3 of the Flight Manual for the

LAK-17B sailplane, revision 21/12/2012 or for the self-sustaining powered sailplane LAK-

17BT, revision 21/12/2012.

3. Replace the preliminary Maintenance Manual for the sailplanes LAK-17B, LAK17BT to

the Maintenance Manual for the sailplanes LAK-17B, LAK-17BT, original date of approval

21/12/2012/.

4. Replace the preliminary Flight Manual for the LAK-17B sailplane or preliminary Flight Manual for the self-sustaining powered sailplane LAK-17BT accordingly to the Flight

Manual for the LAK-17B sailplane, original date of approval 21/12/2012, or to the Flight Manual for the self- sustaining powered sailplane LAK-17BT, original date of approval

21/12/2012.

Material and

Drawings: See Action.

Mass and C.G.: The weight and C.G. determination is not necessary.

Notes:

The new Maintenance Manual, the Flight Manual and the placards must to be ordered directly from the manufacture - UAB "SPORTINE AVIACIJA IR KO, Pociunai, LT-59327,

Prienai, Lithuania.

The accomplishment of all actions must be examined and certified in the aircraft's

inspection documents by a licensed aviation inspector.
