

 N54°39.3' E024°03.5'	<h2>Service bulletin</h2>	Doc. No. 017.23.003
		Revision 1
		Date: 2024-02-08
"SA ir Ko" EASA.AP160	<b>Introduction of FES GEN4 14S 56 Ah batteries</b>	Page 1 of 2

**Subject:** New revisions of AFM (Aircraft Flight Manual) and AMM (Aircraft Maintenance Manual).

**Applicability:** LAK-17B FES – all serial numbers up to sn 260;  
LAK-17B FES mini – all serial numbers up to sn 044;

**Urgency:** This bulletin should be accomplished after its publication.

**Reason:** The newly manufactured gliders are equipped with *FES GEN4 14S 56 Ah* batteries. New revisions of the Flight Manuals and the Maintenance Manuals are made to reflect the design change.

**Actions:**

1. Revision of Flight Manual. Exchange or additional insertion of Flight Manual pages.

For LAK-17B FES (Flight Manual Issue 0, Revision 6):

- i, ii, iii, iv;
- 1-3;
- 2-5, 2-8;
- 4-4, 4-11, 4-13.

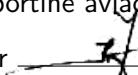

For LAK-17B FES mini (Flight Manual Issue 2, Revision 2):

- Titlepage;
- i, iii, iv;
- 1-3;
- 2-6, 2-9;
- 4-4, 4-5, 4-15, 4-17;
- 5-1, 5-4, 5-5;
- 7-3, 7-4.

2. Revision of Maintenance Manual. Exchange or additional insertion of Maintenance Manual pages.

For LAK-17B FES (Maintenance Manual Issue 0, Revision 8):

- i, ii, iii, iv;
